BOBBY THE BEE

intermediate
DK-CRO-TOY-001

SIZES

Actual measurements Completed Bee stands approx 30 cm/11¾ in tall

YOU WILL NEED

- 1 × 100g ball of Paintbox Yarns Simply DK in each of A – Daffodil Yellow, B – Pure Black and C – Paper White
- 3.00mm (UK 11 – US C2/D3) crochet hook
- Washable toy filling

TENSION (GAUGE)

When making a toy such as this, it is not essential to work to the exact tension. If your tension is tight, with more stitches and rows than stated, your toy will be smaller. If your tension is loose, with less stitches and rows than stated, your toy will be larger. However, if your tension is too loose, the toy filling will show through the crochet and spoil the look of the finished item.

GOOD TO KNOW

- Yarn quantities are based on average requirements and are therefore approximate
- Instructions are written using UK terminology with changes for US terminology given in italics in round brackets () afterwards
